

Economy Gas Grills

Huge Capacity at a Fair Price

RW8DDG - 8' Gas Double Door Grill

with Optional Big Wheels, Wood Cook Shelves, Warming Rack & Dual 40 lb. tanks.

- ▶ Towable grills are easy to transport to your off-premise cooking locations.
- ▶ When you arrive at your job site, these towable grills are ready to cook. Easy to setup and no tear down is required either.
- ▶ Two powerful 150,000 Btu gas burners and stainless steel radiant diffusers provide fast start-up and efficient operation.

Model	Description	Grilling Area	Burners & Controls	Overall Dimensions	Weight

RW6SDR - 6' Gas Single Door Rotisserie

with optional Big Wheels, Wood Cook Shelf & Dual 40 lb. tanks

RW6SDG - 6' Gas Single Door Grill

with optional Big Wheels, Wood Cook Shelf & Dual 40 lb. tanks

- **GAS SINGLE DOOR ROTISSERIE:** This model starts out as our 6' Single Door Gas Grill (shown at right) and then we add a factory installed rotisserie that allows you to slow roast heavy meats too. Unit includes a 6' roasting cage and heavy-duty 120 volt electric motor. We recommend you add the optional dual 40 lb. LP tanks.
- **SINGLE DOOR GAS GRILL:** Provides 14.6 square feet of grilling area using two individually controlled 150,000 Btu burners with radiant style, stainless steel heat diffusers. Features an easy cleaning removable drip shield and a slide out grease pan. We recommend you add the optional dual 40 lb. LP tanks.
