

# How To...

## Stuff a Display Pig

### What You'll Need:

- 24 oz. of Poly Foam or Some Other Suitable Stuffing Material
- 1 Cardboard Tube about 1 1/2" in Diameter (large enough for the spit to fit through)

### Instructions:

1. Fill Snout, Chin, & Head with Poly Foam.
2. Fill Back End with Poly Foam
3. Insert Tube through Back End and Pull Through Mouth.
4. Fill in with Remaining Poly Foam
5. Sew Belly Closed
