

210-Series Built-In Grills

Our Premium Residential Grill Line

210-40 + 40HoodSS + 210-20 Package
Residential grills for the back yard chef

- ▶ Available with Lava Rock or Radiant Heat Diffusers.
- ▶ Perfect for family meals, casual dinner parties or large catered events.
- ▶ Stainless steel components are durable, easy to clean, sanitary and will not rust.
- ▶ Available in LP or Natural Gas.

- **PERFECT FOR FAMILY MEALS AND ENTERTAINING FRIENDS:** Backyard grilling brings family and friends together in a relaxed, casual environment. Built-in cooking centers create a focal point when cooking casual family meals, preparing hors d'oeuvres at informal gatherings or creating gourmet meals with friends. The 210-Series is the best value in premium residential grills, combining commercial quality, elegant design and superior performance.
- **SUPERIOR PERFORMANCE:** The 210-Series stainless steel firebox and burner systems combine the cooking features of our commercial units with the wide range of temperature control required for residential cooking. These Gas Grills feature convenient electronic ignition, fast start-up from independently controlled 12,000 Btu burners and a unique firebox design that reduces flare-ups.
- **QUALITY CONSTRUCTION:** Before purchasing a premium gas grill for your family, we believe you should know how it is built. Nearly every component of the 210-Series Grills, from the burner assemblies right down to the nuts and bolts, is manufactured from high quality, food service grade, type 304 stainless steel. This provides a sanitary, easy-cleaning, corrosion resistant body that is designed to last a lifetime. These units are available in your choice of Lava Rock (recommended) or Stainless Steel Radiant Diffusers. Ask our courteous sales staff which would be better for your application or cooking style.
- **BUILT TO LAST:** We believe in these grills and stand behind every 210-Series purchase with an extensive residential warranty. The firebox, chassis, drip pan and hood are covered against defects in material or workmanship, including burnout, for 10 years.

Transform your backyard grilling area into a custom outdoor cooking center. Permanent grill installations are perfect for everyday family meals, casual dinner parties or large catered events.

Residential Grill Accessories

Popular Accessories for 210 Series Built-Ins

Stainless Steel Cooking Hood

Stainless steel cooking hoods trap in heat, moisture and smoke. This is our flagship residential cooking hood and is included on all 210-Series Mobile Grills. We recommend it be purchased for grills being built into outdoor cooking islands as well. A stainless steel rotisserie is also available.

Model	Description	Weight
40HoodSS	40" SSCH Stainless Steel Hood	45 lbs.
28HoodSS	28" SSCH Stainless Steel Hood	32 lbs.

Roll Top Cooking Hood

This hood opens inside itself and does not require additional space above or behind the grill to open; allowing it to be used in space limited cooking island designs. Rotisserie option is available. **Note:** If installation height and depth are not restricted the Stainless Steel Cooking Hood is recommended.

Model	Description	Weight
40HoodBI	40" Rolltop Stainless Steel Hood	36 lbs.
28HoodBI	28" Rolltop Stainless Steel Hood	26 lbs.

210 Series Mobile Grills

The Highest Quality Backyard Grills

- **PERFECT FOR THE DISCRIMINATING CHEF:** You do not need a built-in cooking island to draw a crowd of hungry barbecue fans. Whether you are cooking for the whole family or throwing a party for your friends, these high capacity barbecues will grill a delicious meal.
- **PROFESSIONAL DESIGN:** The 210-Series features an electronic ignition, fast start-up from independently controlled 12,000 Btu burners and a firebox design that reduces flare-ups.
- **COMPLETE GRILLING PACKAGE:** Mobile Gas Grills are based on our built-in models and include a Stainless Steel Cooking Hood with 115 volt electric rotisserie as standard equipment.
- **QUALITY COMMERCIAL CONSTRUCTION:** Manufactured from high quality, food service grade, type 304 stainless steel which provides a sanitary, easy-cleaning, corrosion resistant body designed to last a lifetime.
- **BUILT TO LAST:** We stand behind every 210-Series purchase with an extensive residential warranty. The firebox, chassis, drip pan and hood are covered against defects in material or workmanship, including burnout, for 10 years. The burners, grates and pot supports are covered for 5 years.
